## of Philanthropic Mission

**HI-TECH GROUP** has been established as one of the leading private educational facilities provider in Eastern India with embedded motto “Making strides all the way”. It is also pioneer in many areas in this sector. It started its mission more than a decade ago in 1997 at Paralakhemundi, Odisha with registration of group’s first Trust namely T.P. Educational Trust. Hi Tech Group of Institutions which has otherwise emerged as a huge entity of educational institutions has large campuses with 200 acres of land and 18 lakh sq.ft. of built-up area in the Temple City Bhubaneswar and in its adjoining Khurda and Jatni. To our credo we have at present more than 30,000 students in our 21 colleges with 50 departments offering 50 courses. Our group of institutions since their inception have been successful in placing the students in both National and Multi-national companies with lucrative packages. We have not only achieved stride in providing education but also in providing highly cultured environment for the character building of our students to be a good human being.

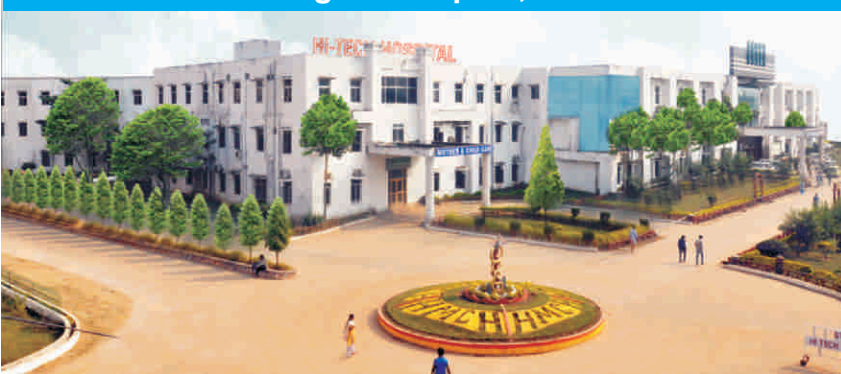

When there was tremendous scarcity of resources for Techno Education in the state of Odisha, Hi-Tech Group entered the field with establishment of Konark Institute of Science and Technology popularly known as **KIST** in 2001. But the ideals of building quality techno institution embedded so deeply in the mind of promoter for the establishment of another institution called Hi-Tech Institute of Technology (HIT) with its distinct culture and discipline in 2008. Again the thirst for quality and need of quality Techno Managers for the nation prompted the promoters to go for another Engineering College namely Hi-Tech College of Engineering (HCE) in 2009. Other than the above, the group is also planning to expand its operation to neighboring states soon.

In 2004, the Group entered Health Care Education sector, the first of its kind through private endeavor not only in Odisha but also in entire Eastern belt of India, when it ventured to set up Hi-Tech Medical College and Hospital, Bhubaneswar. It is a matter of pride to say that this institution has got permission from Medical Council of India (MCI), the apex body in India so far as the Medical Education is concerned, for admitting students uninterrupted for five and half years in MBBS course including Internship. Also the same colleges got permission to open Medical PG Courses (M.D/M.S) from the year 2011. The Group has also started BDS Course, Nursing Courses (GNM, ANM, B.Sc. Nursing and M.Sc. Nursing), Physiotherapy (BPT & MPT), Pharmacy (B.Pharm) courses in its fold. With establishment of the above said institutions the group has also been credited with revolutionizing the entire Health Care facilities in the state of Odisha.

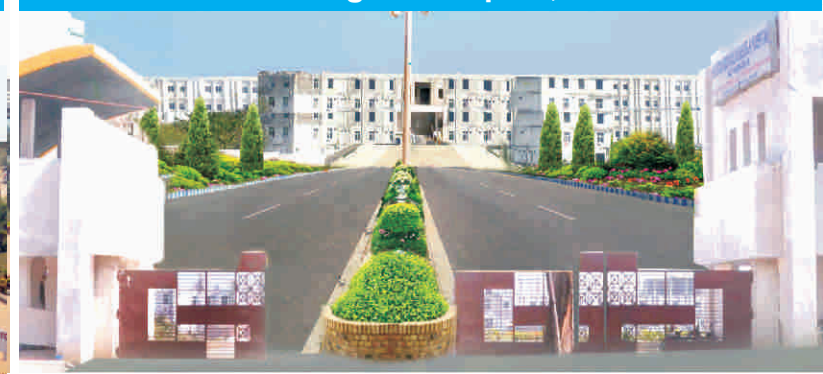

The Group also have Hi-Tech Medical College & Hospital, which has been raised on an area of 20 acres under Vigyan Bharati Charitable Trust. The college is situated near Hanuman Vatika, R.G.H Campus, Chhend, Rourkela – 769004.

It is provided with the state of the art infrastructure in terms of its block of buildings, which includes cozy, comfortable and well-furnished departments, laboratories, classrooms for students, separate quarters for staff and nurses, besides equipment of latest technological quality. The blood bank is well stocked and minted adhering to the international standards. The labs for analysis and culture, X-ray equipment are the state of the art and are operated by trained and skilled technicians.

## CODE OF CONDUCT FOR CANDIDATES DURING THE EXAMINATION

Candidates shall maintain silence. Any conversation or gesture or disturbance in the Examination Room/Hall shall be deemed as misbehaviour. If a candidate detected with using unfair means or impersonating, his/her candidature shall be cancelled and he/she will be liable to be debarred from appearing examination.

Candidates are not allowed to carry any textual material or any type of electronics devices such as: Calculators, Docu Pen, Slide Rules, Log Tables, Electronic Watches, Mobiles, Pagers except the Admit Card and good quality Blue / Black Ball Point Pen, inside the Examination Room/Hall. If any candidate is in possession of any of the above item, his/her candidature will be cancelled.

The candidate shall not remove any page(s) from the Test-Booklet and if he/she is found to have removed any page(s) from his/her Test Booklet, he/she will be presumed to have used unfair means.

### INSTRUCTIONS FOR USE OF TEST BOOKLET AND ANSWER SHEET

1. The candidates will find the Answer Sheet placed inside the sealed Test Booklet. The seal will be broken/opened by the candidate on the announcement of the invigilator and the Answer Sheet shall be taken out by the invigilator. Do not open/break the seal before the announcement to do so. The candidates should verify the serial number and series of the Test Booklet with the serial number and series of OMR sheet. In case of any variation, the Test Booklet and OMR sheet should be immediately returned to the invigilator for the replacement with another set of same series available with the invigilator.
2. Each Answer Sheet will have a pre-printed Test Booklet Code like A, B, C or D. The candidates are required to check that the Test Booklet Code pre-printed on the Answer Sheet.
3. The Answer Sheet will be of special type, which will be scanned on Optical Scanner.

The Answer Sheet contains the following columns which are also to be filled in by the candidate with Blue/Black Ball Point Pen only. Use of pencil is strictly prohibited.

I. Roll Number

II. Centre Name / Number

III. Test Booklet Number

### WRITING OF PARTICULARS AND RESPONSES WITH BLUE/BLACK BALL POINT PEN ONLY

### IMPORTANT INSTRUCTIONS FOR MARKING THE RESPONSES IN PEN AND PAPER BASED EXAMINATION

- (i) Out of four alternatives for each question, only one circle for the correct answer is to be darkened completely with blue/black Ball Point Pen only. For example Question No.008 in the Test Booklet reads as follows: Qutub Minar is situated in

(1) Delhi      (2) Mumbai      (3) Agra      (4) Bengaluru

The correct response to this question is (1) Delhi. The candidate will locate Question No.008 in the Answer Sheet and darken the circle (1)

(ii) Use Blue or Black Ball Point Pen to completely darken the appropriate circle, i.e. one circle for each entry.

The answer once marked is not liable to be changed. Use of pencil is strictly prohibited. If any candidate uses the pencil for darkening the answer sheet, his/her answer sheet will be rejected.

(iii) A light or faintly darkened circle is a wrong method of marking and liable to be rejected by the Optical Scanner. Thus, the circle should be properly darkened.

(iv) The Correct way of marking is shown below.

(v) If the candidate does not want to attempt any question he/she should not darken the circle given against that question.

(vi) Please do not fold the Answer Sheet and do not make any stray marks on it.

(vii) The candidate will not do any rough work on the Answer Sheet. All rough work is to be done in the test Booklet itself.

(vii) CHANGING AN ANSWER IS NOT ALLOWED

The candidates must fully satisfy themselves about the accuracy of the answer before darkening the appropriate circle, as no change in answer once marked is allowed. Use of eraser or white/correction fluid on the Answer Sheet is not permissible as the Answer Sheets are machine gradable and it may lead to wrong evaluation.

(viii) Prior to handing over the Answer Sheet soon after the examination is over, the candidate must sign the attendance sheet as a proof thereof. The examinee is not permitted to carry the Test Booklet.

## WARNING

1. EXAMINEE REMOVING PAGES FROM THE TEST-BOOKLET DURING EXAMINATION, IMPERSONATING OR TRYING TO APPEAR IN THE SEAT ALLOCATION PROCESS THROUGH FORGED MEANS WILL BE DEALT WITH AS PER LAW.
2. CANVASSING DIRECTLY OR INDIRECTLY FOR THE ALLOTMENT OF SEATS OR INFLUENCING STAFF BY UNFAIR MEANS WOULD LEAD TO SERIOUS CONSEQUENCES INCLUDING DISQUALIFICATION OF THE CANDIDATES.

# HI-TECH MEDICAL COLLEGE & HOSPITAL

Medical College & Hospital, Bhubaneswar

Eastern India's 1st Pvt. Medical College, Bhubaneswar

Medical College & Hospital, Rourkela

Western Odisha's 1st Pvt. Medical College, Rourkela

## Institute of Medical Sciences (MBBS)

HGEI is a trend-setter when it comes to pursuit of Medical Science. Most of the students aspiring for medical studies were deprived of realizing their dreams as there were a few hundred seats in all the medical colleges taken together under the state Government. Keeping this in mind HGEI took a giant leap and set up Hi-Tech Medical College & Hospital (HMCH) in Bhubaneswar, Odisha. HMCH, Bhubaneswar is the first private Medical college in the Eastern India, having 700 beds and 100 seats. The philanthropic mission does not stop here. it has expanded its horizon to the western belt of Odisha giving birth to another medical college and hospital at Rourkela. There are 700 beds and 100 seats in the hospital with modern equipment and a team of dedicated doctors and competent para-medical staff. Final approval from MCI is awaited for admission of students into MBBS at HMCH, Rourkela.

Another important driving force that inspired the management to establish HMCH is a divine mission-to provide health services to the people at a subsidized price. A lot of people are benefitted by HMCH.

## The Institute of Medical Sciences (BDS)

Keeping the growing need and demand of Dental Surgery, HGEI established Hi-Tech Dental College & Hospital in the year 2006 at Health park, Rasulgarh. The faculty comprises outstanding doctors and professors who have been associated with reputed medical institutes and hospitals. The instruments are regularly updated in order to cater to the needs of patients and students. The institute has following departments.

Dept. of Oral Medicine & Radiology.

Dept. of Paedodontics.

Dept. of Orthodontics

Dept. of Prosthodontics

Dept. of Community Dentistry

Dept. of Oral Pathology

Dept. of Periodontics

Dept. of Oral Maxillofacial surgery

This is five year course having one semester each year. The course is affiliated to Utkal University with the intake of 100 students & recognized by Dental Council of India (DCI).

Academics apart, HIDH is also doing its bit to serve the society. Because of better facilities and humanitarian attitude of doctors and management, patient turnover is remarkable and high.

## Department of Physiotherapy

As an emerging institution in the sector of rehabilitation and preventive medicine Hi-Tech College of Physiotherapy (HCP), since its inception in 2007, is one of the several mile stones in medical education in eastern India. Established by Hi-Tech Group, the institute provides excellent support to the Physiotherapy and Rehabilitation sector. A well furshied infra-structure and state-of-the-art laboratories await to embrace the students in its wide spread campus in health park, Rasulgarh, Bhubaneswar. HCP ensures an ideal ambience for pursuit of knowledge. The institute offers both bachelor degree and masters with 40 and 20 seats respectively. There are four specialization: Neurology, Musculoskeletal conditions, Rehabilitation and Pediatrics having five seats each. Both the courses are affiliated to Utkal University, Bhubaneswar and recognized by Women and child Development Department Government of Odisha

# HI-TECH COLLEGE OF NURSING

# HI-TECH SCHOOL OF NURSING

**Bhubaneswar**

## Department of Nursing

The institute, established in 2006, offers B.Sc. Nursing with intake of 60 and Masters in nursing with 09 seats having specialization in Medical Surgical Nursing (05 seats) and Community Health Nursing (04 seats). Both the Bachelor and Masters Degree courses are affiliated to Utkal University, Bhubaneswar and recognized by Indian Nursing Council (INC) and Odisha Nursing Council (ONC).

We can say with great pleasure that our trained male and female nurses have a single minded focus to heal the ailing world.

**Bhubaneswar**

## Department of Pharmacy

In order to complement Medical Science, HGEI came up with institutes to impart paramedical science education like pharmacy. Hi-Tech College of Pharmacy is another offshoot of the vision of HGEI. The sole concern for establishing HCP is a healthy society.

B.Pharm (Intake:60)

The Institute started offering B.Pharm course in the year 2009, in order to meet the growing demand of pharmacists holding Bachelor degree in Pharmacy. The passed out students are absorbed in reputed hospitals and pharmaceutical industries. There is also scope for higher studies hereafter like M.Pharm and Pharm.D. The institute has quality faculty recognized for their teaching and learning experience. The course is affiliated to BPUT, Odisha and approved by AICTE, PCI, New Delhi
